League Improvements, Suggestions & ConcernsOrangecrest ASA

	Date:
Objective	

This form was created as an opportunity to serve the league and individuals in the best possible manner available. Therefore, if you see an area where we can improve, would like to make a suggestion or bring a concern to the board's attention, this is the correct avenue to complete that task. All completed League Improvement forms will be addressed at every board meeting as new business and all League Improvement forms will receive a response (unless anonymous).

Division(s) affected (Please Circle)	T-Ball	8U	10U	12U	14U	16U	18U	
Form Prepared by: (This form can be and	Phone No							
Please list any important information that will assist the Board in addressing, changing or resolving the action.								

You may attach additional documentation if necessary.
